Are you completing the correct version of the Reinstatement Form?

- **The correct version of the form is the version that is currently posted on the College's website.**

Why does the College revise its forms?

- The College revises its forms in order to keep them up-to-date.
 - Changes in the field of regulation emerge that the College considers important to address in its operations. For example, in recent years, there has been a growing expectation for regulators to enhance clarity in their communications.
 - Changes are made to the College's regulatory activities and programs. For example, certain forms need to be updated now that the Continuous Professional Learning (CPL) program is mandatory for all members.
 - Issues emerge in the field related to professional conduct that the College has determined are important to monitor to help serve and protect children and families.
 - Stakeholders, including members, provide the College with feedback on its forms. The College appreciates the feedback and strives to incorporate the feedback wherever possible.

There are five sections of the Reinstatement Form. This guide will provide information about each section, including instructions about what supporting documentation needs to be submitted along with your completed Reinstatement Form.

You can complete the Reinstatement Form electronically or in writing.

- **How to complete the form electronically**
 - Save a blank copy of the form to your computer.
 - Open the saved blank copy and enter your information in each section.

The purpose of Section 1 of the *Reinstatement Form* is to confirm that you understand that:

- You are to provide truthful information in your Reinstatement Form and any supporting documents.

There are three statements. To confirm your understanding of the statements and agree to the terms of the Reinstatement Form, check the box for each statement. Also type/print your name and indicate the date. The College treats this entry as your signature.

Section 2: Former Member Information

The *Reinstatement Form* categorizes payment methods into three groups. Check the box that indicates how you will pay your reinstatement fees and provide the additional details required for that payment option.

**What if there is no name on the front of the Visa Debit card?*

- If you are making payment by a Visa Debit card that does not have a name on the front of it, enter the card owner's name.

*If you are paying by Visa or MasterCard credit card or Visa Debit card, make sure that all of the above authorization and card information is provided. If any information is missing, the College will not process your fees until you provide all of the required information. This will cause delays in the reinstatement process. (For information about what happens if there are lengthy delays, see the [‘What happens if you do not submit required documents in a timely manner’](#) section of the *Reinstatement Guide*).*

- This statement only applies to former members who are paying by Visa or MasterCard credit card or Visa Debit card. You do **not** have to provide credit or debit card information if you are paying by another method.

Section 4: Issues Potentially Affecting Practice

The purpose of Section 4 of the Reinstatement Form is for former members to self-report on circumstances that may potentially affect their practice of the profession. The College has a duty to govern members' conduct and asks the questions in Section 4 to help serve and protect children and families.

You must answer all questions in this section. When answering the questions, think about what has happened in the time period since you were last a member of the College.

Additional information about each question in Section 4 can be found [below](#).

If you answer “yes” to any one or more of the questions in Section 4, you must submit the following documentation with your completed Reinstatement Form.

- On a separate piece(s) of paper, type (or write in legible print) a detailed explanation about the matter. Include your name and registration number on each page.
 - Place this explanation in a separate envelope, label the envelope “Reinstatement – Section 4 Information”, and seal it. Include this sealed envelope in your package with your completed Reinstatement Form and submit it all to the College.
 - For information about the kinds of details to include in your explanation, see this [page](#).
- If you answer “yes” to more than one question in this section, you are required to provide a detailed explanation for each matter.
- If you do not submit the detailed explanation(s) with your completed Reinstatement Form, the reinstatement process will not continue until you have provided the College with the detailed explanation(s). (For information about this, see the [‘What happens if you do not submit required documents in a timely manner’ section of the Reinstatement Guide](#)).
- The College may ask you and/or third parties to provide additional documentation. This will depend on the circumstances. If you have supporting documentation that is relevant to the matter(s) you declare, you are strongly encouraged to submit the documents with your completed Reinstatement Form and detailed explanation(s). Submitting the additional information with your reinstatement package helps to minimize delays in the reinstatement process.

Will answering “yes” negatively affect my application for reinstatement?

- The College reviews and considers a former member’s circumstances on an individual basis.
- You are required to submit the additional information, as described above, with your completed Reinstatement Form. If you do not submit the required materials in a timely manner the reinstatement process will be delayed. (For information about this, see the [‘What happens if you do not submit required documents in a timely manner’ section of the Reinstatement Guide](#)).

For more information on this topic, see the College’s [Professional Advisory on the Use of Titles 2017](#).
- c) **Providing additional information** – When the College reviews your Reinstatement Form and any supporting documents that you submit with the form, the College will determine whether additional information is needed. If additional information is needed, the College will contact you by e-mail or letter (depending on the nature of the circumstances) with a request for that additional information and supporting documents.

If any changes arise to the information you provide on your Reinstatement Form (such as changes to your name and contact information), you are required to notify the College within 30 days of that change of information. To notify the College of any changes to your information, complete and submit the [Change of Information Form](#).

This section also asks you to confirm that you:

- have read and agreed with all of the above conditions, **and**
- verify that all information in your Reinstatement Form is authentic and true

Requirement 2: Gathering Supporting Documents

The second requirement for the reinstatement process is to gather the supporting documents that must be included in your reinstatement package.

Some documents are required from all former members applying for reinstatement, while other documents are only needed depending on the former member's circumstances.

Review the information in this section of the guide to ensure that you include all of the supporting documents in your reinstatement package that are applicable for your circumstances.

Supporting documents that must be submitted as applicable

You must include the following supporting documents in your reinstatement package if they apply to your circumstances.

 - If you answered “yes” to any question under section 4 of the Reinstatement Form, you are strongly encouraged to submit any other documents that are relevant to the matter(s) you report. These supporting documents **are in addition to the detailed explanation you must prepare and submit**. *Including the additional documents in your reinstatement package can minimize delays in the reinstatement process.
 - The College uses this information in the consideration of issues that potentially affect a former member’s practice of the profession.

**Note: It is also possible that when the College reviews your reinstatement package, the College may also ask you and/or third parties to provide additional documentation. This will depend on the circumstances.*

However, you must ensure that all required details are provided in section 3 of the Reinstatement Form. (Instructions for completing that section of the form are provided in the ‘**Section 3: Reinstatement Fees**’ section of this guide).

Requirement 3: Paying the Reinstatement Fees

The third requirement for the reinstatement process is to submit payment of the reinstatement fees.

Important: You must pay the reinstatement fees in full. If the fees are not paid in full, or if the College is not able to successfully process your payment (e.g., insufficient funds, credit card expiry, etc.), the reinstatement process will not continue until payment is made.

- Fees for reinstatement vary depending on the reasons for why a former member no longer holds their Certificate of Registration with the College. For a list of the reinstatement fees, see this page.

The Reinstatement Form categorizes payment methods into three groups. Review '[Section 3: Reinstatement Fees](#)' of the *Reinstatement Form* to determine which method you would like to use to pay the fees.

- post-dated cheques are **not** accepted

Are you paying by money order? If so, note that:

- money orders are only accepted if they are in Canadian funds and from a Canadian issuer
- Print your name on the cheque, money order, or bank draft.
- In 'Section 3: Reinstatement Fees' of the *Reinstatement Form*, select the "cheque / money order / bank draft made out to the College of Early Childhood Educators" option and provide the information requested for that option. A description of what information to provide is available in the '[Section 3: Reinstatement Fees](#)' section of this guide.

 - You should mail your cheque, money order, or bank draft **together** with your completed Reinstatement Form (and supporting documents). Submitting everything as one package makes it easier for the College to cross-reference your payment with your Reinstatement Form.

The College's mailing address is provided in the next section of this guide – [‘Submitting the reinstatement package’](#).

2. Online banking through your financial institution (this option also applies to you if you are paying in-person at your financial institution)

3. Visa, Visa Debit, or MasterCard

- If you will be paying by Visa or MasterCard credit card or Visa Debit card, you must provide all required information on the Reinstatement Form. Submitting the Reinstatement Package

Former members who are seeking reinstatement are encouraged to take the following steps to submit their reinstatement package.

- 1. Review your Reinstatement Form to ensure that it is complete and accurate.**
- 2. Gather supporting documents as applicable for your circumstances.**
 - See the '[Requirement 2: Gathering supporting documents](#)' section of this guide for instructions and requirements about what supporting documents must be included in your reinstatement package.
- 3. Ensure that all steps related to paying the reinstatement fees are complete.**
 - These steps will vary depending on the payment method you choose.
 - The amount to be paid will depend on your circumstances. Be sure to check that you are paying the correct amount.
- 4. Send your completed Reinstatement Form, along with supporting documents and payment as applicable, to the College by e-mail or mail.**
 - **E-mail:** reinstatements@college-ece.ca
 - **Mail:** Postal Mail: see college-ece.ca/about-us/contact-us/

Are you submitting your reinstatement package by e-mail?

If yes, note that:

- You will receive an automatic reply to your e-mail. If you receive the automatic reply, it means that the College received your e-mail. If you do not receive the automatic reply within 24 hours, check your “junk mail” folder. If the automatic reply is not in your “junk mail” folder, re-send your e-mail or contact the College.

Are you submitting your reinstatement package by mail?

If yes, note that:

- Postal and courier delivery times vary. Give yourself sufficient time.

What Happens After You Submit Your Reinstatement Package

When the College receives your Reinstatement Form, supporting documents, and payment, the College will:

1. Review your Reinstatement Form to verify that it is complete.

- If any one or more parts of the form are not completed in full, the College will follow-up with you with the expectation that you are to provide the missing information. The College will **not** continue with processing your reinstatement until the Reinstatement Form is complete.

2. Determine what supporting documents are required from you and verify that they have also been submitted.

- If you do not submit the supporting documents that are required in your circumstances, or you submit them but they are missing information, the College will follow-up with you to request that the supporting documents be provided. The College will **not** continue with processing your reinstatement until it receives all of the necessary supporting documents.

3. Verify payment of the reinstatement fees.

- If you are paying by cheque, money order, or bank draft, or through your financial institution (whether online or in-person), the College will check to see if the payment has been received.
- If you are paying by Visa or MasterCard credit card or Visa Debit card, the College will process the payment according to the information you provide on the Reinstatement Form.
- If the College does not have your payment in full, or cannot process the payment, the College will **not** continue with the reinstatement process until payment is received and processed.

4. Review the information provided in your Reinstatement Form and supporting documents to assess whether you meet all of the applicable requirements for reinstatement.

- The requirements for reinstatement vary depending on the reasons for why a former member no longer holds their Certificate of Registration with the College.

The final steps in the process will depend on whether you meet all of the applicable requirements for reinstatement.

- If you meet all of the applicable requirements for reinstatement, the College will reinstate your Certificate of Registration and update your status in the College's files and on the [public register](#). An e-mail will be sent to you confirming reinstatement. A receipt will be sent to you.
- For former members applying for reinstatement because their Certificate of Registration was suspended for failure to pay a fee or failure to provide information:
 - If, at the date that is three years from the date on which you were suspended, your reinstatement package is missing information, payment, and/or supporting documents, the College will initiate a process to revoke your Certificate of Registration. (See information about time limits in the [‘What happens if you do not submit required documents in a timely manner’](#) section of this guide).*
- If you do **not** meet all of the applicable requirements for reinstatement, the College will notify you in writing.*

**I did not complete the reinstatement process in the required timeframes, or I was refused reinstatement. Is there another way I can apply to have my Certificate of Registration re-issued?*

- You can re-apply for your Certificate of Registration following the application process [here](#).

How long is the processing time for reinstatement?

- Processing times will vary depending on the former member's circumstances and which reinstatement requirements apply to them.
- Generally, processing can take approximately three to six weeks from the time the College receives your reinstatement package.
- The timeframe may be longer at certain periods of the year when the College has high volumes of new applications and renewals to process.
- If you pay reinstatement fees by cheque, fees are subject to a two-week hold.

What Happens If You Do Not Submit Required Documents In A Timely Manner

There are two timeframes discussed in this section.

- Time limit for making an application for reinstatement
- Time limit for completing the reinstatement process

Time limit for making an application for reinstatement

Former members are **not** eligible for the reinstatement process if three or more years have passed since the date on which they resigned from the College or had their Certificate of Registration suspended for non-payment of fees or failure to provide information.

If you are interested in reinstating your Certificate of Registration, you must ensure that you do all of the following **before the three-year time limit expires**.

- Complete and submit the Reinstatement Form, along with supporting documents as applicable, **and**
- Submit payment of the reinstatement fees applicable for your circumstances

If you do **not** complete both of the above by the end of the three-year time limit, you are **not** eligible to proceed with the reinstatement process. Your only option for re-obtaining your Certificate of Registration is to re-apply to the College according to the application process [here](#).

Time limit for completing the reinstatement process

Former members who make an application for reinstatement by meeting the two requirements noted above (i.e., completing and submitting the Reinstatement Form with supporting documents as applicable **and** submitting payment of the applicable reinstatement fees), **will have six months to complete the reinstatement process**.

This means that the College aims to issue a reinstatement decision within six months from the date on which the former member applies for reinstatement.

During the process, the College may require the former member and/or third parties to provide additional information or supporting documents related to the application for reinstatement. Where such a request is made, the information and supporting documents must be submitted in a timely manner.

If the College does **not** receive the information and supporting documents and the six-month timeframe passes, the College will take steps to close the former member's application for reinstatement. In these circumstances, the former member will need to either:

- make a new application for reinstatement (if the three-year time limit described above has not passed), **or**
- re-apply to the College following the application process [here](#)
